RESIDENTIAL WARRANTY

COMMERCIAL WARRANTY

The Commercial 10-year Limited Warranty applies to LOTTE quartz that have been installed in an interior, commercial use application. For more details regarding the commercial warranty, please consult with your LOTTE quartz distributor or contractor.

LOTTE quartz MATTE FINISH

The LOTTE quartz matte finish is a brushed texture with uniquely soft touch that offers high-quality color consistency. The matte finish may require extra care and maintenance than the polished finishes. Due to the nature of the surface design, smudges, fingerprints, water spots and other signs of daily living might be more visible on the matte finish. It is recommended that common household spills are dried immediately using non-abrasive cleaning products and microfiber towel.

PREVENTING DAMAGE

Protect the surface when using metal utensils, cutlery and cookware during food preparation and avoid direct contact with extremely hot objects and caustic chemicals.
