PREMIUM SOLID SURFACES

STARON

STRETCH YOUR IMAGINATION
WITH STARON FOR INFINITE POSSIBILITIES

Premiere

Inspired by the timeless beauty of natural stones, the Premiere collection captures the grace of nature. Featuring an outstanding large vein in the Calacatta style, it embodies an opulent luxury that transcends conventional vein designs.

Differentiating points

Point. Create differentiated spaces

With a natural pattern on a white, cool gray, and black tone base, it's designed to be adaptable to any interior design. Different colors and darkness of patterns are applied to the dual veins to give a various look.

NEW Forte VF315

Pristine white meets warm gray and light brown veining for a look of understated elegance.

NEW Vivace VV375

A multi-toned base blending warm white, cream, and beige, enriched with graceful brown veining for added depth and character.

Largo VL312

Patterns in warm and cool tones are added to the white background to emphasize both calmness and cheerfulness.

Legato VL322

A cool gray base creates a calm yet powerful look.

Gravita VG392

Warm-tone patterns and chips are added to the black base to emphasize the heaviness and wonder of black.
